

From concept to completion, E.H. BUTLAND CORP. is a “full service” General Contractor that can provide Design/Build services at competitive prices. Space planning, architecture, engineering, permit procurement and construction, all under one roof. This platform consolidates risk and establishes one point of contact which ultimately saves time and money.

The following complimentary services are provided to clients:

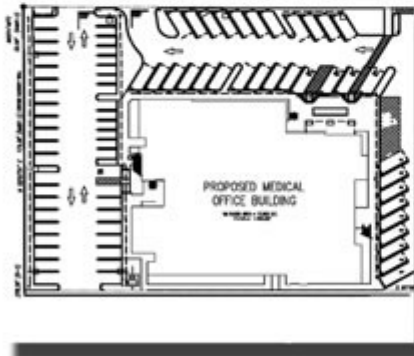

- Conceptual Floor Plans & Space Planning
- Preliminary Cost Estimates
- Preliminary Schedules & Time Lines

Our Design/Build Packages include:

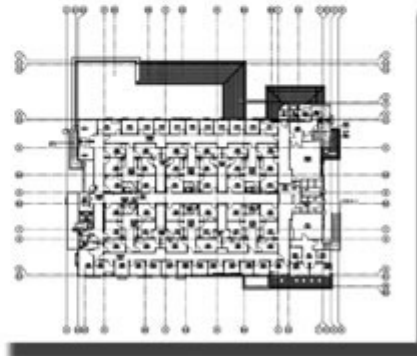

- Space Planning
- Cost Estimates
- Construction Schedules
- Architecture & Engineering
- Interior Design Services
- Permit Procurement
- Construction
- Title 24 Compliance Documentation
